

J

Use a crayon, marker, paint, or whatever else you have to color in all the Pp's on one side the Rs's on the other side. Encourage your child to stay in the lines when they are filling in the color and to completely saturate the space.

Focus: Letter identification, fine motor skills.

A

Play a Card Game

Give your child cards in any suit. Practice putting them in number order. Talk about what numbers are bigger/smaller, what comes next, what comes before, etc.

Focus: Number identification, comparing numbers, ordering.

G

Read a Story

Read a story with your child. Talk about what happened in the beginning, the middle, and the end of the story. Then draw a picture of your favorite part.

Focus: Sequencing, story comprehension, retelling a story using pictures.

BLOW BUBBLES

Grab some bubbles (or make your own from a recipe online) and go outside and blow! Can you catch the bubbles? Can you **wait and watch** as they fall? Count the bubbles as they fall.

Focus: Outdoor play, large motor, counting, self-regulation (waiting).

LETTER NAMING GAME

Use the attached game board to take turns moving along the path and naming the letters you land on. You can use a paper clip and a pencil for a spinner. You could also role a dice to move.

Focus: Letter naming, counting spaces, taking turns

Family Meal

Set the table for a family meal. Figure out what you are eating and what utensils & dishes you will need. Then count how many of each item you will need. Place one item at each seat for everyone who is eating.

Focus: Counting & one-to-one correspondence.

GRAB & COUNT

Grab a handful of any small items and count. Do this 5 times. Write down the number you count each time. Talk about which number is the most, the least, etc. Encourage your child to count slowly for each object!

Focus: Counting objects

Leaf Creations

Use the attached materials to create people or animals from leaves. Listen to the story "Leaf Man" on Youtube to go along with the activity.

Focus: Fine motor, creativity, recalling a story.

OUTDOOR SCAVENGER HUNT

Use the attached sheet to go on a scavenger hunt outside.

Focus: Outdoor time, large motor, tracing, categorizing, counting, recall and retell events in an activity.

Dear Parents,

For our Kindergarten digital learning days, we will be using JAG Choice Boards. Please use this JAG Choice Board, along with the attached materials, to have fun playing and learning at home. Your help at home will help your child succeed at school too! **Have your child choose at least 6 activities from the choice board to complete** (you can certainly do more if you wish!). When you have finished an activity, have your child color the box in (focus on staying in the lines of the box while coloring boxes in). Return the colored choice board back to school by Wednesday to receive credit for the digital learning day.

Thank you for your help at home!

Mrs. Lensing + Mrs. Walstrom
