ACADEMICS 613- Graduation Requirements

Academic Eligibility: New 23-24 (updated Dec. 2023)

In the past BBE schools would run grades at mid-term, quarter and semester for eligibility. New for the 2023-24 school year academic eligibility will now be fluid throughout the year. We will still look at eligibility at the end of every quarter as well as individual plans for students, which is outlined below.

Quarter Eligibility

A grade report will be run at the end of each quarter for eligibility purposes. If a student is failing or has 2 incompletes the student will be ineligible for a one week time period. After the one week period, the student will be eligible when all incompletes are finished.

Individual Plans

If a student is not making progress (has incompletes) in a course or not passing academically the teacher will contact the student and parents to develop an intervention/plan.

After one week, if the student is still not passing or making progress, the teacher will contact Administration who will set up a meeting with the student, parents, teachers, and administration. This meeting the team will talk about what needs to be done for the student to remain eligible and make progress. From the date of the parent meeting the student will have one week to show progress based on the plan discussed and developed during the parent meeting to remain eligible.

One week after the parent meeting, if the student continues to not make progress, the student will become academically ineligible for a period of 1 week. If the student is NOT making progress after the 1 week period, the academic ineligibility will continue until the student is in good standing. If the student is in good standing after their one of ineligibility participation will then resume in their activity.

On the individual plan: A student will have 2 weeks of communication/intervention before they would become ineligible.

- Week 1: Student/Teacher plan for progress
- Week 2: Parent meeting scheduled
- Week 3 and on: Ineligibility until incompletes are fulfilled

What does it mean to be on ineligibility:

- Students are not eligible to ride their activity bus to attend their activity if there is an early dismissal from school. They would also not be allowed to sit with their team if they choose to attend the activity when there is an early dismissal.
- Administration discretion will be used for final decision in all ineligibility occurrences.

Not making progress in:

- 1 class = allowed to practice but no competition. No dressing and student must sit with the team (unless a student didn't ride the bus with the team).
- 2 classes = No practice, no competition. No dressing, no riding the activity bus, no sitting with the team.

CREDITS TO QUALIFY FOR GRADE LEVEL

To be classified at a certain grade level, all students must have completed the minimum credits to be considered at that level **and all required credits**. The following are the minimum requirements at each grade level:

- Freshmen:** Completed 8th Grade
- Sophomore:** 11 Credits and 1 year of senior high classes
- Junior:** 22 Credits and 2 years of senior high classes
- Senior:** 33 Credits and 3 years of senior high classes

Graduation Requirements

To be eligible for a diploma at commencement exercises, BBE students must meet the required credits (see list below). These credits must be earned in grades 9 through 12. The following credits are required and must be successfully completed for graduation.

Post-Secondary Options

Students who are interested in Post-Secondary Options can get information from the High School Counselor. It is recommended that students and their parents meet with the High School Counselor to discuss their options for Post-Secondary School. All PSEO students are allowed full access to school and equipment during the school day but will be assigned to the CAB Areas or the Media Center. Students are required to meet with the building principal to assign supervision. Juniors and Seniors choosing to take a post-secondary option are responsible for contacting the school periodically for updates on school events and activities. **If a student withdraws from a course after the 14th day, they receive an F on their transcript. Per MDE, students must notify the BBE School district of their intent to enroll in PSEO courses by May 30 or will be responsible for tuition costs.**

Progress Reports

Notification **will be given to parents when students are not making progress in their class.** Faculty members will notify the families of students identified as “at risk of failing” if progress does NOT improve. Remember YOUR on-line access to progress reports through the district’s website: www.bbejaguars.org

Schedule Changes

Schedule changes will be made for the following reasons:

1. Academic misplacement: Student is placed in the wrong level of class (Honors or AP vs. regular pace) or is placed in a class without meeting the prerequisite.
2. Missing an academic class: Students are missing a core class such as English, Social Studies, Math, or Science.
3. Missing a graduation requirement: Students are missing a course necessary to graduate in the upcoming school year.

Schedules will NOT be changed to have a different lunch, to change teachers, or to have classes with friends.

Personality conflicts will not be justification for changing a class. All conflicts need to be resolved in a mature, professional manner. We ask that the student and parent first take the responsibility to meet with the teacher and work through the problem. If a resolution cannot be reached, then the parent should contact an administrator to meet about the issue. If a class change is granted by the administration, it will be based on space availability and with the least impact to the student’s schedule.

Additionally, core classes take priority and a great deal of work goes into keeping them as balanced as possible. Requests to rearrange several core classes in order to accommodate an elective request will not be granted.

A student will have 4 days once the semester begins to make schedule changes. No changes will be made after that unless approved by the counselor and administration.

Withdrawal and Transfer

The procedure for withdrawal or transfer is as follows:

1. Secure authorization or a transfer note from your parent or guardian;
2. Obtain appropriate forms from the High School Office;
3. Approval by the Principal;
4. Have the forms filled out by teachers;
5. Return all schoolbooks and mobile learning devices;
6. Make sure all fees are paid;

7. Take completed forms to the High School Office for final school clearance;

NOTE: All student records will be forwarded to another school when a student enrolls in that school and we have received a records request.

ADDRESS CHANGE

Students/Families that change their address and or contact information during the school year are asked to share these changes with the High School Office.

ALCOHOL AND DRUGS, POSSESSION OR USE OF- [417 Chemical Use and Abuse](#)

Possession or use of any alcohol, drugs, drug gummies or drug paraphernalia in or on school premises, or in an area where school activity is taking place is forbidden. Students found in violation will be suspended from school and may be required to have a drug evaluation. Law enforcement agencies may be contacted. A parent conference will be held prior to the student being readmitted to school. Offenses are cumulative in grades 4-12.

- 1st Offense: 1-3 days of suspension;
- 2nd Offense: 3-5 days of suspension;
- 3rd Offense: The offender will meet with school administration with his/her parent/guardian to participate in a hearing to determine the facts and obtain testimony pursuant to expulsion from school.

Note: Many students, parents, and teachers are concerned about the increasing use of drugs among our youth. To ensure a safe and drug-free environment the school board has approved the use of drug-detecting dogs to randomly search the school property. When this procedure is used, the dogs will systematically search the parking lot, locker rooms, lockers, and classrooms for illicit drugs. Although we would not have the dogs systematically search students, it is possible that the dogs would detect drugs stored in books, backpacks, and clothing. We would follow up all leads with a legally conducted search. The search and follow-up action will be handled by school-designated law enforcement officials. We are asking all students and parents to support this movement; that is to keep BBE a great place to receive an outstanding education. BBE is a place where students do not fear for their physical or mental well-being because of the use of drugs within their school.

Note: All students should keep their lockers locked and their lock code private.

* Sale of illegal substances may result in disciplinary action and law enforcement will be notified.

ATTENDANCE- [503 - Student Attendance Policy](#)

A strong school attendance record is required for all students. Regular attendance is necessary for success in school and for the development of future work habits. The attendance and policy is included below. BBE High School will work cooperatively with Kandiyohi, Pope, and Stearns Counties to enforce truancy laws. The first predictor of student success at BBE Schools is student attendance. All students should strive for 95% attendance rate or better.

Minnesota Attendance law

Minnesota Compulsory Attendance Law M.S. 120.10 states every child between 7 and 17 years of age shall attend a public or a private school, in each year during the entire time the public schools of the district are in session unless excused from attendance by the board upon application of his/her parent or guardian on the grounds specified in the laws. When a student has 3 absences (unexcused), he/she is considered educationally at-risk, which is not in violation of the law, but warrants the school to begin an intervention process

If your child is absent, please call 320-254-8211 (you may leave a message at this number 24 hours a day) or email the school at hsoffice@bbejaguars.org

Excused Absences

To be considered an excused absence, the student's parent or legal guardian will need to verify the reason for the student's absence from school ***by using the Infinite Campus Parent App or calling/emailing the school office.*** Student absence from school should be limited to those instances in which an absence is genuinely unavoidable. If a parent or guardian does not contact the school the absence will be marked as unexcused.

Excused Absences

- (1) Illness as excused by a parent. Not to exceed **(5)** days per semester. Days exceeding **(5)** days not accompanied by a physician statement will be considered unexcused.
Illness/appointment as excused by a physician, (dental, orthodontic treatment, counseling appointment with a licensed mental health professional, etc) stating the student can not attend school will be excused.
- (2) Court appearances occasioned by family or personal action.
- (3) Official school field trip or other school-sponsored outing.
- (4) Removal of a student pursuant to a suspension. Suspensions are to be handled as excused absences and students will be permitted to complete make-up work.
- (5) School or college visits for admission purposes with school and parent approval.
- (6) Active duty in any military branch of the United States.
- (7) A student's condition that requires ongoing treatment for a mental health diagnosis.
- (8) Death in the student's immediate family (father, mother, sister, brother or grandparent).
- (9) Religious instruction not to exceed **(3)** hours in any week.
- (10) Serious illness in the student's immediate family.
- (11) Physical emergency conditions such as fire, flood, storm, etc.
- (12) Vacation with family for a period not to exceed (4) days,-when request are made in advance by parents and combined with a plan to provide for the student's educational needs during their absence.
- (13) Work at home when requested by a parent, with prior notice provided to the school, and necessitated by extenuating circumstances.

Consequences of Excused Absences

- (1) Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
- (2) Work missed must be made up in a timely manner by the end of the semester with a plan made with the teacher. Failure to make progress in classes will result in support time/ seat time as determined by administration and until evidence of progress in the class demonstrated.
- (3) Students can not have more than 5 parental excused absences from a single period, this may result in administrative consequences when absences are recurring over the same period.

Unexcused Absences

Truancy. An absence by a student which was not approved by the parent and/or the school district.

The following are examples of absences which possibly meet mandated reporting requirements for referral to the appropriate county agency for truancy filing.

- (1) Any absence in which the student failed to comply with any reporting

- requirements of the school district's attendance procedures.
- (2) Work at home not approved in advance.
 - (3) Work at a business, except under a school-sponsored work release program.
 - (4) Leaving school grounds without prior approval.
 - (5) Failure to attend class/skipping.
 - (6) Any other absence not included under the attendance procedures set out in this policy.

Consequences of Unexcused Absences

- (1) Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
- (2) Days during which a student is suspended from school shall not be counted in a student's total accumulated unexcused absences.
- (3) In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.
- (4) Students with unexcused absences shall be subject to discipline in the following manner:
 - a.) ISD # 2364 reserves the right to use all disciplinary measures available to assist students with regular school attendance.
- (5) Students with unexcused absences will be expected to make up work through Monday School or Study Center options laid out in a meeting with school administration.

Truant/Unexcused Absences

- a.) Truancy. An absence by a student which was not approved by the parent and/or the school district. This includes all absences not school authorized and not verified by parents are considered trancies.
- b.) Make-up hours will be assigned (seat time, detentions, monday school etc), participation credit will not be granted, and make-up assignments are at the discretion of the instructor. The administration has the sole right to determine if an absence is excused or unexcused.

Tardiness

- a.) Students are expected to be in their assigned area at designated times with appropriate classroom materials. Failure to do so constitutes tardiness. A student is considered absent 11 minutes into the class period.
- b.) Students tardy at the start of school must report to the school office for an admission slip.
- c.) Tardies are tabulated by semester. Tardies will start over at the beginning of a new semester.

Unexcused Tardiness

- a.) An unexcused tardiness is failing to be in an assigned area at the designated time with appropriate class materials without a valid excuse.
- b.) Students are expected to be on time for class. (4) unexcused tardies

will result in detention being assigned.

c.) ISD # 2364 reserves the right to use all disciplinary measures available to assist students with regular attendance.

Any time a student is absent from school without a valid excuse or a note from a provider, it is unexcused. Unexcused absences may be given for missing the bus, staying home without a reason, or failing to communicate where a child is. Minnesota Compulsory Attendance Law M.S. 120.10 also shares that students who have numerous unexcused absences can be reported to social services and the Stearns County Attorney's office.

Parents/Guardians will be notified when their child has 3, and 5 unexcused absences. Through the process, BBE Schools will make efforts to provide interventions and support for students finding difficulty in finding their way to school.

Students who have absences for extenuating circumstances may appeal to the administration for an exemption.

Attendance Interventions

The High School Principal, Dean of Students and Attendance Secretary will meet weekly to discuss individual students with attendance issues, both excused and unexcused. Intervention meetings will be scheduled with students and parents as needed. Individual circumstances (major health issues, family concerns, etc) will be considered. Possible actions taken may include, but are not limited to, attendance contracts, requirement of doctor's note or consultation with school nurse, parent meetings, loss of privileges to participate in school activities deemed appropriate by the administration.

Truancy

Truancy is defined as "a student absenting oneself from school without lawful excuse."

All absences are classified as excused or unexcused. **Parents do not necessarily decide whether or not a student is excused.** They can submit a request, but the final determination rests with school authorities. Example: A student is reported as excused due to illness by the family but attends an extra-curricular event that night, the absence will be changed to unexcused and the time will need to be made up.

Every effort will be made to contact the parents of all unexcused absences by phone. Students will be required to furnish the High School Office with work phone numbers if no one is home during the day.

Permit to Leave

If it is necessary for a student to leave school early for any reason, please call, email, or send a note with him/her to notify office personnel.

Every student must have a "Permit to Leave Pass" before leaving school. To leave the school building during the school day, a student needs a parent/guardian approved Permit to Leave pass in his/her possession. Permission to be absent from school for any reason must ONLY be obtained through a parent/guardian. All requests to leave school must be presented to the high school office. Permit to Leave pass must be picked up by the student in the office prior to leaving school property. Students leaving the building without a pass will be considered truant.

***Students returning to school after using a "permit to leave pass" must check in to the high school office with the pass. Failure to complete this portion may result in unexcused absence or loss of permit to leave pass privileges.**

Building Passes

Students in grades 10-12 with open hours or College classes must **sign out before leaving the building and sign back in on return**. When school schedules change (2 hour late start or advisory activity) students can only leave during the adjusted open hour in their schedule.

Pre-excused Absences

All planned absences (family trips, college visits, funerals etc.) should be cleared through the High School Office before the absence occurs. Students wishing to be excused from school may obtain an excuse by presenting a written permission request from a parent or guardian to the High School Office in advance of the absence. A pre-excused permission slip will be issued which the student will take to each of his or her teachers. The teachers will sign the permission slip and discuss with the student the work to be made up.

Make up work and Incomplete work

It is the responsibility of each student to make any missed work. Teachers have been instructed to hold the students accountable for all make-up work. The responsibility to obtain all make-up materials and assignments will be that of the student and not that of the office personnel. The office staff may assist but cannot ensure all make-up materials will be delivered. Students in grades 9-12 must complete all requirements established by individual instructors of that course. Due to an extended illness or extenuating circumstances, a student may be granted an incomplete. Any incomplete grade will become a failure two weeks after the conclusion of the class unless special arrangements have been made to complete the required work. This includes second semester grades.

ACTIVITIES

BBE provides a variety of activities in which students in grades 7-12 may participate.

Each person who participates in an extra-curricular activity must be knowledgeable of the activity's eligibility rules and complete the necessary requirements before participating in the activity.

Rules for Activities

Students attending an activity outside school hours will be governed by the following regulations:

1. If a student is absent from school on the day of the activity he or she is not eligible to attend the activity unless pre-excused. **A student must be in attendance from 11:00 a.m. to 3:30 pm in order to be eligible to attend or participate in an activity (unless specific permission is given by principal/AD);**
2. Rules and regulations of BBE High School student handbook are to be in effect at all activities;
3. Students will correctly identify themselves when asked to do so;
4. Students found smoking, or abusing drugs and/or alcohol will be removed immediately and dealt with according to school policy;
5. Inappropriate behavior during an activity will result in immediate removal and may result in suspension from further extra-curricular activities until the problem is resolved;
6. Adults connected with a school function have the responsibility to direct the activity and the authority to enforce established regulations;
7. Students and staff should strive to be a positive reflection on our school at all times.

BBE Schools Revision for Standards of Leadership and School Representative Positions:

Clubs and School Organizations (FFA, FCCLA, BPA, ESports, Student Council, Robotics)

- **First Violation:** will be removed from their position of leadership for 4 weeks or 28 calendar days for the first violation while serving their MSHSL violation (refer to bylaw 205).
- **Second Violation:** will result in loss of leadership roles for one calendar year within that organization. A student can reapply for leadership role opportunities the following calendar year.

Any student with a second violation will not be eligible for any school-sponsored trip regardless of when the violations occur while they are in grades 7-12. Other serious offenses aside from theft, or possession of drugs and alcohol, may result in ineligibility and will be decided on a case-by-case basis at the discretion of the administration. Any money paid toward the cost of the trip, or fundraising dollars earned, will be forfeited.

BBE High School: Investigation of Alleged Violations

BBE will investigate alleged BBE/MSHSL violations based on the following:

- Any other incident with substantiated evidence.

* Note - other than law enforcement, people witnessing a violation may also be asked to stand before a due-process hearing board.

Activities - Individual Awards and Leadership Roles for Activities:

- Participants serving a Category I or II MSHSL violation:
 - **First Violation:** The student will not be eligible for individual team awards and conference awards for that specific season at which the student is serving their penalty. If the penalty carries into the next activity the same rules apply. Any leadership labels (Captain) will be removed for the season the student is serving their penalty.
 - **Second or Subsequent Violation:** The student will not be eligible for individual team awards and conference awards for one calendar year as appointed by school administration. Any leadership labels (Captain) will be removed for one calendar year as appointed by school administration.

- Letter winners are determined by criteria set up individually for each sport/activity.

Good Standing and Student Code of Responsibility/Conduct

Good Standing - In order to be eligible for regular season and League tournament competition a student must be in good standing.

Definition: The term “Good Standing” shall mean that the student is eligible under all the conditions and eligibility requirements of that school as well as the eligibility requirements of the Minnesota State High School League.

*A student who violates the Student Code of Responsibilities is not in good standing and is ineligible for a period of time as determined by the school principal acting on the authority of the local board of education. School administration will determine if the student is eligible for postseason awards. The student must participate in and complete the entire season in which the penalty has been applied for the penalty to count.

Participation Fees:

Each student who participates in any extra-curricular activity must pay a participation fee. The fee system is established by the School Board. All fees MUST BE PAID the 1st week of practice unless prior arrangements are made with the BBE Activities Office.

The purpose of a CO-OP is to provide a student-athlete from BBE an opportunity to participate in a sport/activity when either we cannot generate enough participants from BBE or we do not offer the opportunity on our campus. In this case, we have two types of CO-OPs.

Type 1 - BBE offers the activity and pairs with another school district to make up one unified team. In this case, BBE offers: the opportunity for a coach/advisor, provides transportation, and the participants pay the school fee.

Type 2 - BBE does not offer this activity, however we provide the student with the opportunity to compete with another school district. In this case, BBE does not provide: a coach/advisor, transportation, and the fee does not go towards the family max. The price is determined by per participant.

CONFERENCES

Parent-Teacher Conferences are held twice per year and as needed. Conferences will be held during the month of October and March. BBE does personalized Conference times. Advisors will be reaching out to parents/guardians to set up times and methods that work best in the families schedule. We encourage parents to be active in their child's education and to become comfortable using Infinite Campus.

DATA PRIVACY NOTICE

When the school district is investigating concerns or a report has been made and a student has been identified as someone that may have relevant information, a Data Privacy Notice is provided to the students and asked to be signed for documentation. Students are expected, by school policy, to cooperate with school officials when being questioned in a disciplinary investigation. Noncooperation may result in disciplinary action. Information received will be released to school officials, parents, guardians, the MSHSL if necessary. Suspected criminal activity will be submitted to law enforcement.

BBE DISCIPLINE PLAN [506 - Student Discipline](#)

At BBE we are working together to provide a positive and safe learning environment by respecting ourselves, our work, property and others.

The key components of the BBE Public Schools discipline plan include:

- building self-esteem
- promoting self-discipline
- focusing on internal motivation

- eliminating fear and coercion by providing a safe environment
- creating conditions for a need-satisfying environment
- school discipline needs to be a part of our schools educational process and not a strictly punitive process
- consequences are natural and logical

Although detention, suspension and expulsion will still be a part of the discipline plan, students may have an opportunity to correct their behavior with other consequences for most inappropriate behaviors.

The rules or guidelines for BBE could be as simple as the following:

1. Be on time and be prepared.
2. Respect the rights of others.
3. Accept responsibility for your own behavior.
4. Accept responsibility for your own learning.
5. Follow all rules listed in this handbook and classroom procedures as explained by your instructor.

For students who choose not to follow those few guidelines, the State of Minnesota and the school board have established more rules to follow. Negative consequences come only as a result of choosing not to follow the rules.

A teacher, school employee, school bus driver or other agent of a district may use reasonable force in compliance with Minnesota statutes 121A.582 and other laws.

Code of Conduct

Student-Minnesota Statutes 1971, Section 120.06 states the following: “Notwithstanding the provisions of any law to the contrary, the conduct of all students under 21 years of age attending a public secondary school shall abide by the rules and regulations promulgated by the local Board of Education.

The basic responsibility of the schools is to educate the children of the community and any child defined as eligible by compulsory school attendance laws. It is not necessary to keep in school those children whose conduct is totally inconsistent with the learning atmosphere. The right of a person to attend school must not place in serious jeopardy the rights of others to profit from school. In the event that a student in BBE High School does not abide by these disciplinary guidelines, he or she may be subject to disciplinary action that is fitting, proper, and legal within the framework of the amended Pupil Fair Dismissal Act of 1974.

Behavior Interventions/Consequences

Class Disruptions

When a student’s behavior is causing others in the class to lose focus on their work, it is considered a classroom disruption. This can include inappropriate comments, loud or obnoxious behavior, talking to others during lectures, etc. These will be handled in a three-step process: first-a warning, second-a formal warning, and finally-an Office Referral or removal from the class. The teacher has the authority to make an immediate Office Referral for “excessive behaviors”.

Behavior Intervention Meetings

Our goal at BBE is to have a positive influence both academically and behaviorally. In the event that behaviors become repetitive/chronic or severe, a parent/student meeting will be set up to intervene and discuss an intervention plan for the success of the student with the Dean of Students. .

Detention

Detention is assigned to those students who fail to comply with the rules of the school. Detention is assigned by the administration or teaching staff. Students will be notified as soon as possible of their detention and will be responsible for fulfilling their detention obligations during the next available detention options.

Detentions will be held after school from 3:30 -5:30 PM.

Detention rules: Students are to turn in their cell phones to the detention supervisor, and work on school work. If there are behavior or attendance issues with detention, credit will not be given and additional interventions put in place. Additional consequences will be assigned if your responsibility is not completed. Assigned detention time takes precedence over all other school activities occurring before or after school, including practice and dances, or meetings for ALL activities.

Removal from Class

Removal from class is the short-term exclusion of a student from school during which the school retains custody of the student. Students removed from class shall be the responsibility of the principal or his lawful designee. The

length of time of the removal from class shall be at the discretion of the principal after consultation with the teacher. Missed class time may be required to be made up either before or after school.

Suspension

Suspension is the short-term exclusion (1 to 10 days) of the student from school during which the school is relieved of custody of the student. Suspension may be either in school or out of school.

- If suspension is in school (ISS), the school will retain custody of the student. Students receive credit for daily work, tests, and projects while in ISS. If a student receives an ISS, they will turn in their personal devices into the office for the day. If the student is in activities, a citizenship violation will follow the In-School Suspension.
- If suspension is out of school (OSS), the responsibility of the student becomes that of the parent.
- Students are required to make up classroom work during OSS. At the teacher's discretion additional time may or may not be given. However, students will receive zeros for daily work, which covers the period the student is assigned OSS.
- Students will be allowed to make up and receive credit for tests, finals and projects.
- A principal/parent/student conference must be held before the student on OSS is readmitted to school.

Expulsion

Expulsion is removing the student from the school setting for up to a year; usually until the end of the school year. This action requires a school board hearing. Students who are expelled may not attend school-sponsored activities including sports activities, dances, etc.

Loss of Privileges

When students mismanage certain privileges, a logical consequence is loss of the privilege. For example: If a student misbehaves on the bus for a second time, bus riding privileges **will be suspended for a period of time**. Students misbehaving in the lunchroom or classroom may lose their lunchroom privileges and be issued a working lunch. Student activities such as prom, homecoming, dances, field trips, etc. are privileges and may be revoked due to behaviors or chronic absenteeism and attendance issues.

Pupil Fair Dismissal Act

The Pupil Fair Dismissal Act establishes grounds and procedures for the dismissal of public school students. Dismissal includes suspension, expulsion, and exclusion. The policy of this act emphasizes prevention of dismissal through early detection of problems. Further, the school is responsible for the education of the student during the dismissal period. The grounds for dismissal are:

1. Willful violation of any reasonable school board regulation.
2. Willful disruption of the education of others.
3. Willful conduct that endangers other students or school property.

Restitution

In most cases when a student violates a school rule someone else is negatively affected by the behavior. Restitution is an attempt to right a wrong. It can involve writing apologies, community service work, cleaning projects,

spending time helping others, etc. The form of restitution is closely related to the offense and will be assigned at the discretion of the principal.

Trespass Notice

A Trespass Notice may be served on a student that is suspended out of school or has violated school policy warranting such action. A Trespass Notice prohibits a person from entering school buildings and property and will be specific as to the times and duration.

The School District policy provides a grievance procedure to be used for alleged violations of the district policy regarding discrimination. This form is available in the High School Office.

The purpose of this policy is to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards.

The policy of the school district is to encourage students to be dressed appropriately for school activities and in keeping with community standards. This is a joint responsibility of the student and the student's parent(s) or guardian(s).

It is not the intention of this policy to abridge the rights of students to express political, religious, philosophical or similar opinions by wearing apparel on which messages are stated. Such messages are acceptable as long as they are not lewd, vulgar, obscene, defamatory, profane or do not advocate violence or harassment against others.

Procedures:

When, in the judgment of the administration, a student's appearance, grooming or mode of dress interferes with or disrupts the educational process or school activities, or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. Parents/guardians will be notified.

Administration reserves the right to deny admission to school functions based on dress and/or grooming determined to be inappropriate and/or disruptive to the education process.

FIGHTING

Fights are any physical confrontation that involves the use of fists or the use of any physical force in anger.

Students involved in fights on school property may receive up to three days suspension from school. (This could be either in-school or out-of-school.) INFORMATION REGARDING SECTION 504 OF THE REHABILITATION ACT OF 1973

Section 504 is an Act that prohibits discrimination against persons with a handicap in any program receiving Federal financial assistance. The Act defines a person with a handicap as anyone who:

1. has a mental or physical impairment that substantially limits one or more major life activities (major life activities include activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working);
2. has a record of such an impairment, or
3. is regarded as having such an impairment.

In order to fulfill its obligation under Section 504, the BBE School District recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a handicap will knowingly be permitted in any of the programs and practices in the school system.

The school district has specific responsibilities under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. This ACT gives the parent or guardian the right to: 1) Inspect and review his/her child's educational records; 2) make copies of these records; 3) receive a list of all individuals having access to those records; 4) ask for an explanation of any item in the records; 5) ask for an amendment to any report on the grounds that it is inaccurate, misleading, or violates the child's rights; and 6) a hearing on the issue if the school refuses to make the amendment.

If there are questions, please feel free to contact the building principal, 504 Coordinator for the high school, at 320-254-8211.

INSUBORDINATION

Refusing to obey the reasonable requests of the school staff is insubordination. This includes comments made in the classroom, halls, cafeteria, school events, etc. Insubordination will not be tolerated.

LOCKERS

School lockers are the property of the school district. All students will be issued a locker for the school year. Students will not be allowed to carry backpacks throughout the hallways. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as possible after the search of a student's personal possessions, the school authorities will provide notice of the search to the students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. See the complete district policy at: www.bbejagours.org Students are responsible to remove all belongings by the last day of school. Any remaining items will be discarded. **DO NOT LEAVE VALUABLES OR MONEY IN YOUR LOCKER. THE SCHOOL IS NOT RESPONSIBLE FOR STOLEN PROPERTY.**

The provision does **NOT** apply to the possession or use of any drug or products containing ephedrine or pseudoephedrine as its sole active ingredient or as one of its active ingredients.

2. If a student has vomited or had diarrhea, the student should stay home until 24 hours **fever free without fever reducing medication until** after the last episode.

TECHNOLOGY

GoGuardian internet security filters are in place to ensure safety for students. Administration is notified about online activity from students that indicates a risk of suicide, self-harm, or possible harm to others.

Computer Resources Policy

(Please refer to BOTH the 1:1 Device Handbook & Policy [524 - Internet Acceptable Use and Safety](#))

New technologies are shifting the ways that information may be accessed, communicated, and transferred. These changes may also alter instruction and student learning. Belgrade-Brooten-Elrosa Public Schools offers student access to the Internet and electronic mail.

Access to the Internet and e-mail will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. The Internet is provided for students to conduct research and communicate with others in relation to schoolwork. Along with access to computers and people all over the world comes the availability of materials that may not be considered appropriate in the

classroom. However, on a global network it is impossible to control all the materials. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. Ultimately, school staff, parents, and guardians of students are responsible for setting and conveying the standards that the students should follow when using media and information sources.

Access to the Internet is given to students who agree to act in a considerate and responsible manner. Access is a privilege, not a right. Therefore, based upon the District Internet and E-Mail rules outlined in this document, the 1:1 Device Handbook, and District Policy 524, the administration, faculty, and staff of Belgrade-Brookton-Elrosa Public Schools may deny, revoke, or suspend specific user rights.

District Internet and Email rules

(Please refer to BOTH the 1:1 Device Handbook & District Policy 524 - Internet Acceptable Use)

Students are responsible for appropriate behavior on school computer networks just as they are in a classroom or other school area. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is presumed that users will comply with district standards.

The network is provided for students to conduct research and communicate with others. Parent/guardian permission is required.

Independent School District #2364 makes no warranties of any kind, whether expressed or implied, for the service it is providing. Independent School District #2364 will not be responsible for any damages a student/parent or guardian suffers. This includes the loss of data resulting from delays, non-deliveries, missed deliveries, or service interruptions caused by its own negligence or a student/parent or guardian error or omission. Use of any information obtained via the Internet is at the student/parent or guardians' own risk. Independent School #2364 denies any responsibility for the accuracy or quality of information obtained through its services.

Network storage areas may be treated like school lockers. District technology staff may review files and communication to maintain system integrity and ensure that users are using the system responsibly.

Users should not expect that files on district servers will always be private. Messages relating to or in support of illegal activities may be reported to legal authorities.

During school, teachers will guide students toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, and radio.

System Access may be terminated for any of the following:

- Damaging computers or computer systems;
- Installing any software on the system;
- Gaining unauthorized access to resources;

Photographs, Videotaping, and Interviews

BBE Public School District #2364 reserves the right to photograph, videotape, or interview your child for school publications or articles. This policy only applies to photographs, videotapes, and interviews. If you DO NOT wish to have your child photographed, videotaped, or interviewed, please inform your child’s building principal. If parents choose to opt-out, this would exclude your child’s picture from the yearbook, music programs, and other types of school media.

TRANSPORTATION

Activity Transportation

The school will furnish transportation for activities. All participants (musicians, athletes, etc.) will be required to ride both ways via school transportation unless special permission is granted in advance of departure. The parent or guardian may personally make arrangements with the AD/Coach for other return transportation. Students riding spectator buses must also abide by these regulations.

Bus Transportation [709 - Student Transportation Safety](#)

RIDING THE BUS IS A PRIVILEGE - NOT A RIGHT.

The school district provides bus transportation for all who qualify for it. It is the responsibility of each student riding the bus to behave properly. Driving demands the bus driver’s full attention. For the safety of everyone, do nothing to distract the bus driver.

The school bus is an extension of the classroom. District conduct and discipline policies apply to the school bus and to bus stop areas as well as to school buildings and grounds.

The “Danger Zone” surrounding a school bus. The “Danger Zone” is the area within 10 feet of the bus. The two areas which are the most dangerous, due to limited driver visibility, are the right rear area (including the right rear wheels) and the front of the bus (including the front corners).

Appropriate conduct on the bus:

Be on time, Stay out of the “Danger Zone.”, Follow driver’s instructions, stay seated, be courteous, and no eating or drinking on the bus.

Procedures for safely boarding and leaving a school bus:

Be on time, always line up single file to board the bus, use the handrail, take one step at a time, remain seated until the bus stops, walk to the door, etc.

Procedures for the safe crossing of vehicle lanes:

Move away from the side of the bus (if you can touch the bus, you are too close)

As you move away from the bus, move to a point at least 10 feet in front of the bus.

Turn toward the driver and make eye contact (see that the driver sees you)

Wait for the driver to signal to you that it is safe to cross (either by the public address or by hand signal).

Walk 10 feet in front of the bus, stopping to check for vehicles that might violate the stop arm.
When it is safe, complete the crossing.

School bus evacuations and other emergency procedures:

There are three different evacuation plans:

1. using only the front service door;
2. using only the rear (or side) emergency door;
3. using both the service door and the emergency door

Bus transportation- Rules and Regulations:

1. The driver shall have authority on his or her bus in regard to the discipline of the students. It is understood, however, that he or she is responsible to the Principal, and that the Superintendent has final authority.
2. The driver shall at no time use corporal punishment or remove from the school bus any student in order to maintain discipline.
3. The driver shall notify the Principal of any discipline cases that he or she is unable to handle.
4. The driver will at no time transport any student other than those on his or her route unless permission has been granted to said student by the building Principal or Superintendent. Such permission will only be granted if parents give written permission.
5. Drivers shall use their discretion as to what materials can and cannot be transported to and from school. Animals, domestic or wild, are not to be transported by bus.
6. The driver is expected to complete his or her route unless road conditions are such that it is physically impossible. It is understood that the driver must use his or her judgment in driving his or her route for the safety of the students on the route.

Student Ridership Training

The first month of school must be designated as school bus safety month. School districts must begin providing school bus safety training for all students during that week. Training must take place in the classroom and on the school bus. By the end of the third week of school, all students must demonstrate knowledge and understanding of at least the following concepts:

1. Transportation by a school bus is a privilege - not a right;
2. District policies for student conduct and school bus safety;
3. Appropriate conduct while on the bus;
4. The danger zones surrounding a school bus;
5. Procedures for safely boarding and leaving a school bus;
6. Procedures for safe vehicle lane crossing; and
7. School bus evacuation and other emergency procedures.

Students who fail to demonstrate that they understand these concepts may lose their bus riding privileges unless the students are unable to achieve the competencies due to a disability.

Driving to school

1. Use and/or access of a vehicle during the school day is prohibited unless you have permission from the office and/or a permit to leave pass
2. If a student must go to their vehicle during the school day, permission **MUST** be granted by the principal or office staff.
3. Reduce speed in all school areas. (10 mph in the lot);

- 4 Park only in designated student parking lot. (East parking lot). No parking in the Bus Loading Zone, Visitor Parking, etc.
- 5 Lock your car during the day
- 6 Vehicle and driving violations throughout the school year could result in use of parking lot privileges being revoked.

Key Notes:

- 1) The school is NOT responsible for vandalism, theft, or accidents that occur in the parking lot. Students should report vandalism, theft, accidents, or other problems to the High School office where the Police Department may be contacted in an attempt to resolve the problem.
- 2) Vehicles in the parking lot are subject to searches for safety reasons upon reasonable suspicion;
- 3) Please observe the parking lot lines and park within the designated spaces;
- 4) Parking in the Bus Zone during the school day, the Handicapped Parking, Visitors' Parking spaces or Traffic Lanes at any time could result in tickets being issued and/or cars being towed.
- 5) Parking in the school parking lot is a privilege as the school district provides busing:
 - Parking lot discipline can range from a formal warning to suspension from the parking lot based on severity of violation and the number of disciplinary occurrences.

Student Use and Parking of Motor Vehicles; Patrols, Inspections, and Searches

Students are permitted to park in a school district location as a matter of privilege, not of right. Students driving a motor vehicle to a high school campus may park the motor vehicle in the parking lot designated for student parking only. Student parking is prohibited past the gated football field entrance on the east side.

School officials may conduct routine patrols of school district locations and routine inspections of exteriors of motor vehicles of students. These patrols and inspections may be conducted without notice, student consent, and without a search warrant. In addition, the interiors of motor vehicles of students including glove or trunk compartments, in school district locations may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. These searches may be conducted without notice, consent, or a search warrant. A student will be subject to withdrawal of parking privileges and to discipline if the student refuses to open a locked motor vehicle under the student's control or its compartments upon the request of a school official.

BBE School District contracts through a third party and periodically will do canine walk-throughs of the parking lot. If detection is found, a vehicle search will be conducted.

A violation of this policy occurs when students store or carry contraband in motor vehicles in a school district location or interfere with patrols, inspections, searches, and/or seizures as provided by this policy.

A student found to have violated this policy and/or the directives and guidelines implementing it shall be subject to withdrawal of parking privileges and/or to discipline in accordance with the school district's Student Discipline Policy, which may include suspension, exclusion, or expulsion. In addition, the student may be referred to legal officials when appropriate.

Student visitors are not allowed to attend unless for educational purposes with prior approval from administration. Parents/guardians are always welcome, however, we ask that an appointment be made prior to the visit. Visitation may be denied at any time by school administration in order to maintain a school environment that is safe for students and employees and free of activity that may be disruptive to the student learning process or employee working environment.

WEAPONS POLICY [501 - School Weapons Policy](#)

Bringing a dangerous weapon on school property is a violation of Minnesota law. It is a serious violation called a felony. You may not possess a dangerous weapon at any time on school property. You should also know that possession on school property includes on a school bus, in a school property, or any property leased by a school.

“Weapons” are identified by two categories:

1. Articles commonly used or designed to inflict bodily harm and/or intimidate other persons.
Examples are: firearms, whether loaded or unloaded, knives, clubs, metal knuckles, nunchucks, throwing stars, explosives, stun-guns, ammunition, chains, pellet guns, look-alike guns and other non-functioning guns that could be used to threaten others.
2. Articles designed for other purposes but which are actually used to inflict bodily harm and/or intimidate. Examples include but are not limited to: belts, combs, pencils, files, scissors, compasses, broken glass, and letter openers.
·Minimum corrective actions **may** include initial suspension for five days, confiscation of weapon, notification of police, and parental notification.

This may be a recommendation to the School Board for exclusion or expulsion. Violation of the terms of Minnesota law will result in statutory penalties, which may include significant fines and prison.

**A student who finds a weapon on the way to school or in the school building and immediately notifies the High School Office shall not be considered in possession of a weapon.

Zero Tolerance

At BBE Schools we believe every student and staff has a right to:

1. Be treated with respect and courtesy

The Superintendent will decide if a hearing should be held in front of the Board of Education to expel the student.
