

Backpack Attack

The Back Pack Attack program is here again this year! Backpack Attack will provide a supply of nutritious meals and snacks for children on weekends. Backpack Attack is free of charge and made possible with the collaboration of the BBE Area Food Shelf and generous local donations. All families are eligible to participate in this program but with limited funding available, meals will be sent home on a first come, first serve basis. Once your child is signed up, they will receive a bag of food in their backpack each Friday (or the last school day of the week) starting September 16 until the end of the school year.

If you believe your child could benefit from the Backpack Attack program, we encourage you to fill out the form on the back and return it to the office. Only one form is needed for all the children in your family but please include individual information for each child on the form. **This information is kept confidential with the Backpack Attack program administrators and your child's teacher.**

In order to ensure your family will receive meals, please return this form by **Friday, Sept. 9 if your family chooses to participate.** You are encouraged to take advantage of this program for your family and your children. If you have additional questions or concerns, please contact Holli Bromenshenkel at 320-254-8211 Ext . 1218 or hollib@bbejaguars.org
