Reading & Writing	Math & Science	Social/Emotional	Create
Read for 20 minutes. You can read to someone else, or you can read silently.	Play a card game with someone at home. Addition Top-It Fishing for 10 Speed	Play a board game with someone.	Spend 15 minutes creating. Use play dough, Kinetic sand, slime, beads, etc...
Choose 5 spelling words and write a sentence for each of them.	Write an addition or subtraction number story and then solve it.	Write a thank you note to someone who has been helpful or a good friend. Tell them why!	Draw or paint a fall picture. Post it to SeeSaw or bring it to your teacher.
Write your opinion about digital learning days. Do you like them or not? Be sure to include 3 reasons and explanations in your writing.	Find an invention in your home that makes things easier to do. Draw the parts and explain why the invention is helpful. Bring your drawing to school.	Ask your parent or caregiver what chore you can complete for them. Helping around the house is an important way to show responsibility!	Make something using Legos, blocks, or any other building materials you may have at home. If you're able, take a picture and post it to SeeSaw.
Write a personal letter to your teacher. Make sure that you tell your teacher what they are good at, what you like about them, and what you think they need to work on!	With an adult's supervision, find a kid-friendly recipe... measure, stir, and cook something today. P. S. Your teacher loves goodies!!	Play outside if it is safe to do so. Ask your parent or caregiver if it is safe.	Create a structure that floats out of materials that you have at home. How many pennies can you add before it sinks? If you're able, post a picture to SeeSaw.
