

# E-Learning 3rd Grade CHOICE BOARD

Math	Reading	Science	Social Studies	Specials
Find a set of parallel sides (H), perpendicular lines (T), and intersecting lines (X) in your house and write them down	Read two books to or with a parent, sibling, grandparent, pet.	Name the phase of the moon cycle we are in tonight. If the moon is out, draw it.	Practice the 50 states song with your family! Can you name all 50 states?	Can you create your own song? Write it down and share it with us!
Find a triangle, quadrilateral, pentagon, hexagon, octagon in your house. If you can't find one, draw one.	Write me an opinion story about Winter. It should be 5 sentences and include your opinion on whether or not you like winter.	Can you name the planets in order? My Very Educated Mother Just Served Us Nachos. Come up with your own sentence to remember the order of the planets.	Look at a map of the United States. Can you find and name 5 or more states?	Draw/paint/color a snowy picture! Be creative!
Play a math card game with an adult at home.	Do a word walk in your house. With a piece of paper, walk around and write down five words you find. Then, use each word in a sentence.	Invent your own animal and draw it. It must have the characteristics of one of the vertebrates - bird, mammal, fish, reptile, or amphibian.	Draw a map of your house. Label the rooms and include a compass rose (N,E,S,W)	Get outside and play! Come up with your own snow themed game.

Third Grade E-Learning Choice Board in the event that we have an E-Learning Day. You should complete **TWO** items from each column. When a task is completed, have a parent initial the box. You **ONLY** 5 page with parent signature.

Parent Signature: \_\_\_\_\_
